

We help businesses build **custom employee training** with **top-tier talent** to create *dynamic and immersive learning ecosystems*. Together, we **create lasting change** through *instructional strategy, content design, and development*.

TRUSTED BY

What if you could **transform learning** from a "cost center" to **proving measurable impact** on *employee confidence, performance, and business outcomes*?

You know learning matters, but is your training effective? Imagine creating memorable and impactful learning that matches your business goals and fits your company culture perfectly. What if your training could go beyond generic and truly empower your team?

How We Help: Learning without Limitations

CUSTOM CONTENT DEVELOPMENT

Bye-bye out-of-the-box and hello custom culture, engaging, and results-driven learning.

No licensing fees, we build it you own it, forever.

Scale your team with vetted learning experts for short or long-term staffing support.

Hand-selected in 48 hours, no job posting required.

SUBSCRIPTION LEARNING SERVICES

Predictable pricing, adaptable to evolving needs, streamlined outsourcing.

Limitless innovation without contracts or red tape hassles.

AWARD-WINNING SERIOUS GAMES

Transform learning with immersive experiences for optimal retention.

Boost results with immersive experiences.

DASHE
a ttcinnovations company

BANK OF AMERICA

“What I have always loved about this team is that you would not know they are a vendor... **One of the best project outcomes in 20 years.**”

“The learning assets created were of exceptional quality. **The development from start to finish took weeks instead of months.**”

“ttc came in and literally became one of us. They discovered who we were, our challenges, how our systems worked, and made sure to learn each & every nuance.”

CLIENT SUCCESS STORIES

Grant Thornton Reimagines Leadership Conference, Reducing Training Time by 42% & Decreasing Costs

Grant Thornton sought to **transform** their **annual leadership conference**, traditionally held in a costly and time-consuming conference format. Collaborating closely with their learning team, we developed a *dynamic self-paced program*, marking a significant shift in the learning approach. Our creative marketing campaign, featuring custom graphics, pre-launch communications, posters, a trailer video, and a learning portal, ensured a seamless change management process. The outcome resulted in a remarkable **42% reduction in training time** and a significant **decrease in travel costs**.

Transforming Amazon Advertising Leaders into Powerful Communicators and Media Ambassadors

We partnered with Amazon Advertising's senior leadership team to create a program aimed at enhancing leaders' communication and representation skills. Focused on approved speaking engagements, media protocols, and analytical insights, the initiative equipped participants with **essential tools for impactful public speaking**. Emphasizing alignment with key company messages, the program also introduced a certification process, ensuring leaders' readiness for diverse engagements. The outcome? Amazon Advertising's leaders emerged as **adept communicators and authoritative ambassadors** in both speaking engagements and media interactions.
